Dear Yasmin:

It is with great pleasure that I send my heartfelt congratulations to you upon being named as a distinguished finalist in the Eleventh Annual Prudential Spirit of Community Awards program. It is quite an honor to have been selected from the many thousands of youth volunteers to receive this recognition for service to your community and I commend you.

This award will always be a reminder of the important project which you organized to collect more than two thousand pairs of used eyeglasses for distribution to disadvantaged people around the world who need corrective lenses. Your project has changed the lives of so many people in a very positive way and I am sure your family and friends are very proud of you. You will always have the satisfaction of knowing that without your hard work and dedication, this worthwhile project would not have been possible.

With warmest personal regards,

Sincerely,
