Congratulations Yasmin!

This Violet Richardson Award comes to you from Soroptimist with our best wishes for your future.

The Violet Richardson Award honors young women who make the community and the world a better place through their volunteer action. The award is made possible by the generous contribution of members.

Founded in 1921, Soroptimist is an international organization for business and professional women who provide volunteer service to their communities. Almost 100,000 Soroptimists in about 120 countries and territories contribute time and financial support to community-based and international projects benefiting women and girls.

Our major project, the Women's Opportunity Awards, improve the lives of women by giving them the resources they need to improve their education, skills, and employment prospects. Each year, Soroptimist clubs in 19 countries and territories assist women in overcoming personal difficulties and improving their lives through education and skills training. The women, who provide the primary source of financial support for their families, may use the cash award to offset any costs associated with their efforts to attain higher education, including books, childcare and transportation. Annually we award more than \$1 million to more than 1000 women to help them to live their dreams.

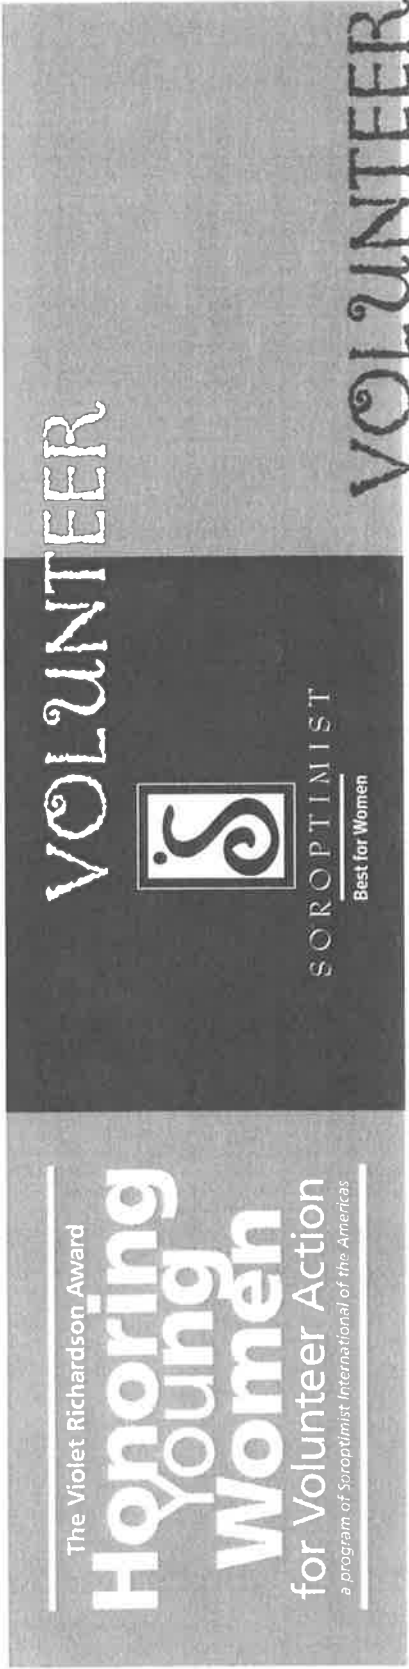

We are delighted to give due recognition to your volunteer contribution and we hope that the joy of volunteering becomes a lifetime experience for you, once again, our heartiest congratulations.

All the best,
